Lowes Foods to Hold End of Construction Celebration for Apex Store on June 7

APEX, N.C. (JUNE 4, 2019) – Lowes Foods, a Carolinas-based grocer, will celebrate the end of construction at its Apex store located at 5400 Apex Peakway on Friday, June 7 with a ribbon cutting at noon. The renovated store includes an expanded Beer Den area, a new Lowes Foods-To-Go area, and three new Lowes Foods Originals: Bread Crumb, The Cakery and Smokehouse.

"Since we began introducing The Beer Den in our stores several years ago, the concept has been embraced by shoppers as one of their favorite parts of the Lowes Foods experience," Lowes Foods President Tim Lowe said. "To meet growing demands, The Been Den in our Apex store has been greatly expanded and now features a large seating area in the center of the store."

"In addition to the expanded Beer Den, we also added Bread Crumb, The Cakery and Smokehouse, all of which have emerged as popular areas of our Lowes Foods stores," Lowe added. "The Apex store also has a new Lowes Foods-To-Go area to meeting the growing demands of shoppers who order online and simply pull up to the store to get their groceries."

New and Expanded Lowes Foods Originals featured in the Apex store include:

- **The Beer Den.** Offering the finest selection of crafts and drafts that is fantastically varied, local and refreshing. There are seasonal offerings of unique beers, special events, tap takeovers, and growler fills on-site. In addition, guests can "sip and shop" with a pint of beer or a cup of wine.
- **Bread Crumb** brings the bakery experience to life by featuring fresh-baked artisanal breads that are handcrafted, all natural and have no preservatives. Lowes Foods' signature Cobblestone breads are baked using fresh ingredients throughout the day, and the store's Hot Fresh Bread program promises fresh-from-the-oven loaves from 4:30pm-7:30pm every day – perfect to pick up for dinner.
- **The Cakery.** A whimsical bakery where being square is incredibly cool. The Cakery features "Scrumptiouslyumptiously" delicious square cakes in all sizes that are assembled before your eyes, topped with icing made fresh in-store with real cream and real butter.
- **Smokehouse** offers a daily rotation of wood-smoked meats including beef, pork, chicken and salmon using a variety of woods to infuse flavor. You can pick them up ready to eat or ready to take home and heat.
